PRODUCTS FOR SERVING STUDENTS WHO ARE DEAF OR HARD OF HEARING

Access Training Package: How Best to Serve Postsecondary Students Who are Hard of Hearing #1022

This in-service training package is designed for disability services staff, faculty and staff members of postsecondary institutions. It explains hearing loss and its effects on students' education, demonstrates assistive technologies and offers communication strategies. Produced by the Northeast Technical Assistance Center (NETAC) in collaboration with Self Help for the Hard of Hearing (SHHH). Powerpoint, handouts, audiotape. Free.

Americans with Disabilities Act: Responsibilities for Postsecondary Institutions Serving Deaf and Hard of Hearing Students: Second Edition #1054

This is a desktop resource that was created for educators and administrators working in postsecondary institutions. Written collaboratively by Jeanne M. Kincaid, Esq. and Sharaine J. Rawlinson, MSW. Produced by the Midwest Center for Postsecondary Outreach (MCPO). Also available on-line <http://www.mcpo.org/products.htm> Handbook. Free.

Avenues to Literacy #1094 & #1095

A panel of six college students and college graduates who are deaf discuss their paths to achieving literacy in English and sign language. Discussion includes: parental involvement, classroom learning, relationships with teachers and use of literature. Presentation in sign language with voice interpretation and captioning. (WROCC). <http://wrocc.csun.edu> Two videos sold separately, \$20.00 each.

Tape I · Elementary/middle school years #1094

Tape II · High school and beyond #1095

Beyond The Surface: Implementing ADA in Postsecondary Institutions Serving Deaf and Hard of Hearing Students #1081

A videotape of the March 19, 1998 satellite telecast. Featuring Jeanne M. Kincaid, Esq. Produced by the Midwest Center for Postsecondary Outreach (MCPO). Video. \$20.00.

Connections Training Package #1084

This training package explains the relationship between postsecondary education staff members, vocational rehabilitation personnel, and college students who are deaf or hard of hearing. It discusses the VR process and requirements, ways that higher education and VR staff members work together, and ways to provide maximum student inclusion and a positive educational experience for students. Produced by NETAC. 1999. Mixed Media. Free.
